SPREAD : JOY, LOVE, UNDERSTANDING.

JEEVANTIRTH

Annual Report 2025–26

Spreading Joy, Love and Understanding through Holistic Education

OUR IMAPCT AT A GLANCE

- 350 Teachers' Trained
- 42,500+ Students Impacted
- 5500+ Women Empowerment
- 300 Farmers Reached
- 16000+ Education Programs
- 9000+ Nature Education
- 17,500+ CSR & Partnerships
- 10,600+ Urban Initiatives

Preface

At Jeevantirth, every initiative begins with a simple yet powerful belief—that every child deserves the joy of childhood and the joy of learning. Over the past year, our efforts have gone beyond classrooms, reaching into communities to create spaces where children feel safe, valued, and inspired to grow.

Through our diverse programs, we have not only strengthened foundational learning but also nurtured confidence, curiosity, and compassion among children. This report reflects the journeys of transformation—of children finding their voice, discovering their potential, and becoming active participants in their own learning.

It is a testament to the collective efforts of our children, educators, communities, and partners who continue to walk with us in spreading Joy, Love and Understanding.

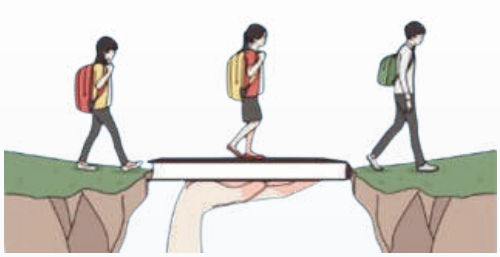

We at Jeevantirth believe in
'Think Globally, Act Locally!'
We align our programs with Global SDGs,
National priorities,
State action plan and Local needs.

We also want to follow, and strive for 'The Indian model of SDG Localization' suggested by NITI Aayog.

Our Role is:

'To bridge the Gap' & 'To add the Value' to the ecosystem.

“We Rise By Lifting Others” - Robert Ingersoll

At the heart of Jeevantirth are the children and communities we serve—each with unique stories, dreams, and potential.

Across our programs, we reach children from underserved backgrounds, creating opportunities for them to learn, grow, and express themselves with confidence.

Every smile, every step forward, and every small achievement reflects a journey of transformation made possible through collective care and effort.

GISELA Foundation

Urban Initiatives

Kalrav
Balvatika
BSK
Anubandh
Gunjan

The programs—***Kalrav, Balvatika, Baal Sanskar Kendra, Anubandh, and Gunjan***—are designed with a shared intention of nurturing holistic development, ensuring that children grow not only academically but also emotionally, socially, and confidently.

Together, these initiatives reached over 2,700+ children across 35+ schools and centres, creating inclusive learning spaces through interactive sessions and life centred activities. While Kalrav and Balvatika focus on joyful early childhood development, Baal Sanskar Kendra and Gunjan strengthen foundational literacy and school readiness, and Anubandh supports adolescents in building life skills, self-awareness, and values.

Through this continuum, the programs aim to transform hesitant learners into confident, expressive individuals, while fostering a strong connection between children, schools, and communities.

In the heart of Sabarnagar and Chandrabhaga, 134 children found a space to belong and grow. With 126 children attending regularly, learning became a habit, not a struggle. From *0* children in 'Good' category at baseline to 35+ at endline, transformation became visible.

What began as hesitation slowly turned into confidence, curiosity, and joyful participation. ***Ahaan is not just a centre—it is where children rediscover their voice and self-belief.***

Sabarnagar centre is a Power House which also seves as "a child resource Centre" to train other Baalmitras.

Apexon

Ahaan Learning Centres

Nature Education Programs

Bouquetes of Flowers: ***Nature Club | Advanced Nature Club | Harit Sena | Serenity Nature Visits | Night Camps | Vacation Shaala***

Through a blend of experiential learning, community engagement, and value-based education, Jeevantirth's Nature Education Programs nurtured a deep connection between children and the environment. ***Across six integrated initiatives, over 11,000 children from urban, rural, and slum communities were engaged in hands-on activities, nature exposure, and leadership-building experiences.*** From classrooms to camps and communities, children not only gained awareness but demonstrated visible behavioural shifts—adopting sustainable practices like reducing plastic use, conserving water, and celebrating eco-friendly lifestyles. ***These programs are shaping a generation of sensitive, responsible, and action-oriented young citizens who carry the spirit of nature into their everyday lives.***

Program Name	Reach / Coverage	Key Highlights
Nature Club	5,516 children • 47 schools	Year-long eco-learning, strong behaviour change
Nature Education (Regular Batch)	4,847 visits • 68 schools	Experiential learning at Serenity campus
Advanced Nature Club	50 leaders • 1,500+ peer reach • 14 schools	Student-led environmental leadership
Harit Sena	500+ children (slum communities)	Community-level eco-awareness & action
Serenity Night Camps	540 children • 10 camps	Nocturnal learning & life-skill development
Vacation Shaala	500+ children • 10 camps	Nature objects drawing & Nature collage, Nature Trail, Nature Songs & Games

RUBAMIN

Read Panchmahal

The Read Panchmahal Programme, implemented across **20 schools** in Halol (Panchmahal); reached **3,182 children** from Balvatika to Grade 8 through joyful, activity-based learning. Foundational literacy and numeracy were strengthened through structured Gujarati and Mathematics modules. ***Value Addition was ensured by Life centred experiential learning initiatives like "Vigyan Ganga" Science on Wheels and "Gyanganga" – Life Centered Education.*** Digital exposure was enhanced through the learning platform "**Melzo**", **&** "**Anubhav" VR experience** for Grades **6–8;** making complex concepts immersive and engaging.

100,000 Nail Cutter Project

Our dream project of the year was to reach 100,000 children with a small gift of love, a Nail Cutter, to nurture personal hygiene habits in children. ***The Nail Cutter Project promoted hygiene across 402 schools, distributing 72,710 nail cutters, 69,557 hygiene guides, and 1,105 posters, driving behavioral change.***

Abhivyakti

Abhivyakti is a living space for expression where learning unfolds through connection with self, community and nature.

Now operational at Juna Koba, the riverside campsite hosted around **13 camps** and trainings in 2025–26—including summer, nature, and experiential programs for women, teachers, and youth—marking a meaningful beginning after its developmental phase.

"From a space in development to a space for transformation—Juna Koba is coming alive through learning, connection, and shared experiences."

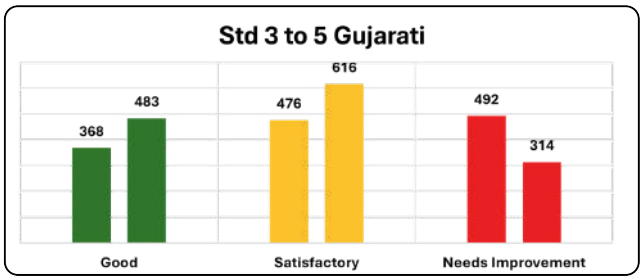

GyanDeep – Transforming Classrooms, Touching Lives

AIA Engineering Ltd.

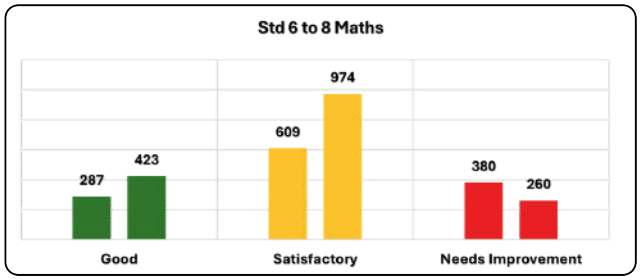

With the support of AIA Engineering Ltd., 5,114 children across 11 schools began a journey where they felt seen, heard, and encouraged. With 6 Baalmitras, classrooms slowly transformed into spaces of joy, curiosity, and belonging. Children who once hesitated are now speaking, participating, and believing in themselves, reflected even in improved learning levels. Learning moved beyond books—into stories, nature, play, and real-life experiences.

What changed most is not just numbers, but the smile, confidence, and spark in every child.

Urban Initiatives

Arhant Social Foundation

The **Gyanprabha** Project, implemented by Jeevantirth with the support of Arhant Foundation, is a holistic education initiative reaching **490+ children** (ages 3–14) across **8 community centres** and mobile learning units.

Structured through Kalrav, Balvatika, and Baal Sanskar Kendra, the program delivers age-appropriate, experiential learning through play-based activities, storytelling, and real-life exposure. ***Beyond academics, it focuses on building confidence, values, and life skills; supported by strong community engagement, parental involvement, and continuous teacher training—creating a foundation for lifelong learning and holistic development.***

Moments of Joy

A glimpse into our journey—each photograph reflects moments of learning, joy, and transformation. These images capture the spirit of our work across communities and classrooms. ***Behind every frame lies a story of change, connection, and hope.***

Moments of Joy

A new Partnership with '**Dabhoi Community Foundation – USA**' and Jeevantirth began from **June 2025** for Educational and Community Development Programs in **Dabhoi**. Jeevantirth proposed '**Anganwadi Support Program (ASP)'**, and DCF readily agreed to support the training and engagement of **25 Anganwadi centres**. ***The villages covered under the program mainly covers Tribal communities, rehabilitated under the Narmada River Vally Development Project, Sardar Sarovar Dam.***

Vocational Training

At **Primary School Bhalaniya (Godhra, Panchmahal)**, a 6-month vocational training program introduced basic stitching and Mehendi skills for students of **Grades 5–8**, benefiting all children.

Students learned practical skills like bag making, cloth repair, and creative design, building confidence and self-reliance.

Aligned with initiatives like the **Gyandeep** project in **Lodariyal Primary School**, nearly **100 girls** were trained in beauty parlour skills including Mehendi and stitching on sewing machines.

Such pre-vocational exposure is enabling children to build confidence and life skills beyond academics.

Strengthening Biodiversity Committees

Jeevantirth was instrumental in facilitating PBRs (Public Biodiversity Registers) of all the villages of **Dediapada** taluka district Narmada. ***Ministry of Aayush - NMPB sectioned grant for "Ethnomedicinal Network Linkages in 6 clusters" of 12 BMCs of Dediapada.*** The project delayed for 2 years because of global pandemic COVID19, concluded this year with Gala event of achievements and celebrations.

STEM

JEWELEX

Through 30+ hands-on experiments, the STEM program reached 190–196 children, transforming classrooms into spaces of curiosity and exploration.

Students actively participated, moving beyond fear to confidence in science and mathematics. ***From microscopes to self-made models; learning became real, joyful, and meaningful.***

VaaGaLe - Parikh Foundation

In the classrooms of Palanpur, **1898** young hearts began a journey from silence to self-expression. ***Through 120 Nature Club and 96 Roopantar sessions, learning flowed beyond books—into nature, values, and life itself.*** With every story read and every game played, children discovered their voice and confidence. Small gestures touched deeply— children embraced hygiene and self-care with dignity.

School on Wheels

SEED
Support for Economic Educational & Development

Over 50+ schools and 10,000 children were reached through our innovative School on Wheels initiative, bringing experiential learning to underserved communities.

The project enabled large-scale impact with **72,710** nail cutters distributed across **402 schools**, promoting hygiene and health awareness. Environmental and social learning were strengthened through **10,580 saplings** plantation drives and Peace Games, creating a holistic ecosystem of learning, health, and values for rural children. Additionally, **8,700+** children were sensitized on food waste and introduced to AI & VR learning experiences, making education future-ready and meaningful.

Together, the initiative created a joyful, engaging ecosystem where children not only learned—but began to think, question, and connect learning with real life.

Hariyali Shala

Green School Initiatives

134 Schools ~19,000 Saplings Planted 10,000+ Trees Growing **Creating green handprints** across Gujarat.	**"One Child, One Tree"** Each child nurtures one plant From activity → to ownership → to responsibility.	**10,000+ trees** surviving & growing Not just planting, but ensuring life.
Children now: ✔ Care for trees daily ✔ Feel connected to nature ✔ Take responsibility **Nature is no longer outside**—it is personal.	Learning through: Planting Caring Observing growth **Real-life education rooted in experience.**	**"This is my tree..."** When a child says this, a lifelong bond with nature begins.

We gratefully acknowledge ***Roopantar*** and ***IDBI Bank*** for their partnership in creating meaningful impact through this opportunity.

Roopantar

Hariyalu Kaam

TIMING TECHNOLOGIES

Across **10 schools and 5 tribal villages,** Hariyaalu Kaam reached **300+** children and **150+** farmers, turning learning into living action.

What began as plantation activities has grown into a movement—where every child now proudly says, "This is my tree."

With herbal gardens, Chota Kisaan, and Aushad Vans, children and families are nurturing not just plants, but a greener future.

Farmers are adopting climate-resilient practices, while children are becoming guardians of nature.

Together, these small actions are quietly building resilient communities and a sustainable tomorrow.

Women Empowerment

Women Empowerment for Social Change

Reaching the heart of marginalized communities, Jeevantirth's initiatives have created pathways of **dignity, learning, and livelihood**. From ensuring children stay in school and succeed academically to enabling youth to earn with confidence, the programs have touched over **3,000 households** with hope and opportunity.

Women have emerged as leaders, families have accessed their rights, and children are stepping into a future once out of reach—making this journey not just about numbers, but about real transformation and restored dignity.

Focus Area	Key Achievements
Community Reach	3,000+ households across 20 pockets in Vatva
Education (Stay-in-School)	150 children supported (62% girls)
Academic Success	98% pass rate, 100% board exam results
Youth Skilling	538 enrolled, 427 secured livelihood skills
Women & Girls Empowered	400+ women and young girls reached
Entitlements Access	5,500+ individuals connected to government schemes

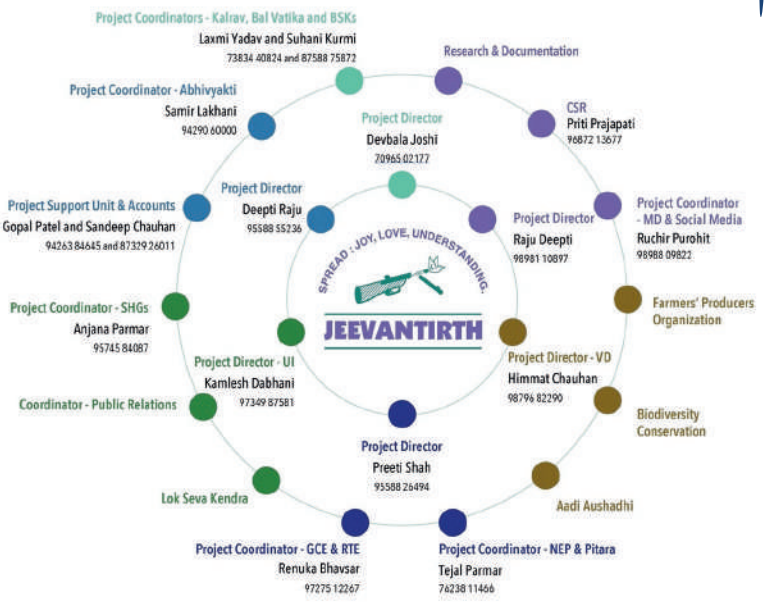

Core Team

A family that learns, serves, and grows together.
Jeevantirth continues to evolve as a true 'School of Life-Lovers'.

Women Empowerment

1	Give For Ever – Pankajbhai Shah	6	“Kuch Karke Dekho Achha Lagta Hai” – Rajbhai & Pinkiben
2	Manthan Helping Hand / Jeniben Shah & Group	7	Shree Mahavir Jain Sansthan
3	Lions Club Samvedna Group	8	Dimpleben Shah & Group
4	Lions Club Shahibaug	9	Sarvodaya Hospital / Manthan
5	Brindaben & Group	10	SBI / Bank & Institutional Groups

This impact was made possible through the kindness and trust of ***friends of Jeevantirth*** who stood with us in bringing care, dignity, and support to those who needed it most.

Through a series of small yet meaningful initiatives, we reached communities with essential support such as drinking water, ration kits, footwear, and refreshments, ensuring comfort and dignity in daily life. ***Each activity addressed immediate needs, especially for the elderly, women, and underserved families, while strengthening a sense of care and belonging.*** What began as simple acts of distribution gradually turned into moments of trust, participation, and community connection.

Together, these initiatives reflect our commitment to creating compassionate, need-based, and community-led change.

Bridging the Digital Divide

TIMKEN

Reaching **24 rural schools in Bharuch**, the project transformed classrooms through **23 smart panels** installed and **4500+ digital learning licenses** distributed, making education more interactive and joyful.

With **150+ teachers trained** and assessments conducted across 20 schools, the initiative strengthened both teaching capacity and student engagement.

This blended learning approach is now building digitally empowered classrooms, ***bridging the digital divide*** and creating lasting impact in quality education.

Valued Partners

Our valued partners are not just supporters, but true co-travellers in our journey.

With their trust and shared vision, every effort transforms into meaningful impact.

In Gratitude & Togetherness

With deep gratitude, we thank our partners, supporters, and well-wishers for being an integral part of our journey.

Your trust and encouragement have helped us reach further and serve better.

Together, we have touched many lives and created meaningful experiences.

We look forward to continuing this journey of spreading Joy, Love, and Understanding.

Wisdom

"so long as ANY SINGLE CHILD is deprived in this world; No invention is great and no discovery is outstanding."

"The Earth provides enough to satisfy every man's need, but not every man's greed."

"I measure the progress of a community by the degree of progress which women have achieved"

Raju Deepti - Managing Trustee
